

DO YOU KNOW

The Current Hunting Regulations for Sharp-tailed Grouse?

Sharp-tailed grouse are a "Sensitive" species in Alberta. Hunting of Sharp-tailed grouse is permitted in some WMUs but closed in several others. Be familiar with all applicable regulations including season dates, bag limits and the identification of all of Alberta's gamebird species. Ensure you check the hunting regulations annually for changes.

Hunting regulations can be found at mywildalberta.com.
